After the meeting [] talked with Ferencz KOVACS, and learned that he had a network in Hungary which was formerly financed by a group of former German Abwehr Officers headed by Gen. GUDERIAN, which, in turn, operated for the Americans. KOVACS said that his operation received monthly support of 1200 US dollars and, altho he is anxious to sell his services to the Americans, he is experiencing difficulties in maintaining his courier service into Hungary because most of his former couriers have recently resettled overseas. KOVACS went on to say that a network similar to his, headed by <u>KOLENYI</u>, is currently being operated out of the British Zone of Austria. KOLENYI receives 1000 US dollars monthly.... According to Hider, Ferencz KOVACS would have been a key man in JK/29's plan.</p> <p>Gen. ZAKO is at present making frantic efforts to obtain the support of some of the political factions of the Hungarian emigration. He has met KALLAY, AUER in Paris, APOR, and others. [] learned</p>
